Smoking is prohibited in all public places and indoor buildings (including hotel rooms) in Europe, with fines of up to thousands of euros, so please abide by the law. In recent years, some famous buildings (attractions) in Europe have banned visitors from sitting on the ground to rest or eat, which is not only considered rude but may also face immediate prosecution.
- Early Departure or Leaving the Tour: In any case or for personal reasons, if a tour member requests to leave on their own, return individually or leave the tour midway, our company will assist in making arrangements. However, our company will not be responsible for any indirect or direct cost losses incurred due to delays in transportation or other circumstances that result in missing the pre-arranged itinerary or accommodation.
- Disruptive Behavior: Any tour participant who intentionally obstructs the tour leader's work, endangers the safety of others, or affects the normal activities and interests of the group, the tour leader has the right to cancel their tour qualification, order the participant to leave the group depending on the specific situation or with the consent of the majority of the tour participants. The remaining balance of the unfinished part of the journey will not be refunded, and any actions taken by the participant after leaving the group will not be related to the company.
- Delays and Itinerary Changes: If the flight or bus is delayed due to a malfunction or traffic congestion, resulting in itinerary changes or canceled programs, tour participants may not use this as an excuse to oppose or withdraw from the tour. In case of bad weather, strikes, or unexpected accidents that cause delays in the itinerary, tour participants may not demand compensation or refund of tour fees.
- Itinerary Adjustment Notice: We continuously strive to improve our tour itineraries. We reserve the right to make changes to end cities, hotels, or tour order if improvements can be made or if unforeseen circumstances arise. During peak periods, duplicate departures may operate, possibly in reverse order, which may result in different hotels than those listed in the itinerary.

- Transportation and Accommodation Liability: The tourist transportation and hotels used by our company, such as airplanes, ships, trains, or buses, have various regulations for the safety of participants and issues such as lost luggage, accidents, and property damage. These situations will be handled based on the regulations established by each institution and will not be related to our company. We recommend that participants purchase travel insurance and luggage insurance on their own. For details on how to purchase insurance, please contact the travel agency you registered with or our company directly.
- European Climate and Hotel Facilities: The temperature difference between day and night in Europe is substantial, the annual average temperature exceeds 30 degrees for less than two months, and European countries have strong environmental protection awareness. Therefore, hotels in Europe may not have standard air conditioning.
